8. (Secret - JMM) Called on Senator Milton Young (R., N. Dak), (member of the Agency Senate Appropriations Subcommittee) and briefed him on:

- a. Recent developments re Soviet ICBM deployment, MRV testing, submarine construction, and new medium bomber.
- b. Sino/Soviet relations.
- c. Middle East situation.

Senator Young expressed concern regarding Senator Russell's health, and speculated that if Senator Russell became incapacitated Senator McClellan would probably assume, de facto, chairmanship of the Defense Subcommittee of the Appropriations Committee while Senator Ellender would chair the full Appropriations Committee.
